1. OVERVIEW

2. STANDARD PACKAGE
1 x LYRA 200W Device
1 x USB Charging Cable
1 x LYRA Gift Box
1 x LYRA User Manual

3. MAIN FEATURES
- Upgradable firmware setting
- 1.3” full color screen
- Temperature limit: 200-600°F/100-300°C
- Output power: 7watts-200watts
- Stainless steel 510 atomizer connector
- Spring loaded nickel plated brass center pin
- Body material: ULTEM
- Dual 18650 cells setup
- Flip-open battery sled
- Dimensions: 89.5mm*48mm*30.7mm

4. BASIC OPERATION

5. PRECAUTIONS

Please read the following safety recommendations before using this device.

1. This device is intended for users over the age of 18, and not by minors, women who are pregnant or breast feeding, or people with or at risk of heart disease, high blood pressure, hypertension, diabetes, or taking medicine for depression or asthma.

2. This product is sold purely for recreational purpose, it is not a smoking cessation product and has not been tested as such.

3. Please ensure this product is kept away from extreme high and low temperatures and moist environment while in use or stored.

4. The manufacturer is not responsible for any damage or personal injury caused by inappropriate, incorrect or irresponsible use of the device. Use of any illegal or prohibited products with this device will void the warranty.

5. Do not over-tighten the atomizer onto the 510 connector, the atomizer should be snug, not tight. over-tightening may cause damage to the threading and the delrin insulator.

6. This is a high end and powerful device capable of providing a high voltage to the atomizer. We recommend only use good condition (no damaged wrap) batteries which are capable of over 30amps in proper manner.

7. Due care and attention must be followed when using this mod. This is for experienced vapers with extensive knowledge of how electronic devices work along with access to the appropriate safety tools. Please ensure proper precautions are taken when using these devices as to not cause damage and/or harm to the atomizer, device, or yourself. Use at your own risk.

8. Battery safety is very important. If you remove the battery from the device, please store it in a dry place, at room temperature, and away from direct sunlight. The batteries should never be left unattended while charging. Please take extra care when you removing/replacing the battery. Always dispose of batteries in a safe manner, into a designated containers for battery recycling.

6. WARRANTY

The Modefined LYRA 200W is covered by a 3 months limited warranty from the date of retail purchase. The warranty will be void if there is any signs that the product has been physically damaged, dropped or abused in any way. For warranty issues, please contact MODEFINED official retailers and distributors for their warranty and return policy. MODEFINED’s warranty does not apply to products purchased through unauthorized vendors.
